Guest: Craig Tefft, Clayton Kappauf, Thad Rice, David Utter

PROGRAM:

Scholastic Wrestling Program: Craig Tefft, Clayton Kappauf, Thad Rice came to speak to the club about a joint effort to help develop the wrestling program in Oxford.

Terry made a proposal to support wrestling by funding programs that will help develop the upcoming 7th and 8th graders. Declining numbers of student athletes are leading to the decline of the teams across the board for all varsity sports. The gentleman assembled informed the club that they currently have 15 kids on modified and they are a talented group. Terry asked the gentleman for suggestions on how Rotary can help develop these young wrestlers. Summer training camps were one of the suggestions discussed. A summer intramural hosted by Rotary was also suggested. We will revisit the issue in a few weeks when everyone has had a chance to put together a plan of action.

OLD BUSINESS:

- 4th of July tickets to be handed out at next meeting.
- Hook and banner to be up by next meeting.

NEW BUSINESS:

Club discussed taking advantage of District grant money. Some ideas brought forward were a bigger play ground by Head Start, the village has a real need for storage on the west side of river during the bridge construction. Bridge project to start by May of next year.
