MEETING NOTES FOR 10/22:

JOHN PETERSON - Program Speaker: John did very well and he and Jeanne brought us crepes to eat. Very enjoyable program.

DR. FALLON a Radiation Oncologist servicing Lourdes Hospital as well as his free standing practice in Cortland, NY. Has requested to come and do a lecture for us. Some topics are:

The club decided we would like him to Current Health Topics or Cancer related Topics. Tentative program dates are 11/11/10 or 11/18/10.

Rotary/Lions Dinner: Suggestion was made to wait until after the end of the year and have a Service Organizations Dinner. Steve Behe has volunteered to Organize it for the Lions Club. They are contacting the Legion and the Fire Dept. We will hear more about this later.
